iPublishCentral Reader is an Adobe® AIR® based application that allows you to download the subscribed ebooks that are in PDF format to your PC/Mac for Offline use.

The eBook can be downloaded as long as the computer is online at the time. From My Bookshelf, click on the link to download iPublishCentral Reader.

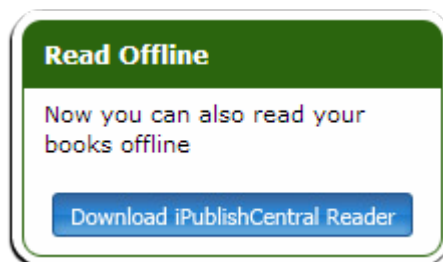

Follow the prompts to download and install the iPublishCentral Reader and the Adobe AIR program.

You can then log in to your Success Store eBooks -- use <http://www.successtore.com/> for the account URL and your access information for the Success Store eBooks Web site.

You will then have all of your titles available to you for offline viewing.

Please follow the below instructions to install the iPublishCentral Reader application to your PC/Mac and download the eBook to the iPublishCentral Reader.

Once you login using your account you will notice a button "Download iPublishCentral reader".

Click on the download button to go to installation page. Click on install button to set up iPublishCentral reader on your system.

When you use iPublishCentral reader for the first time, you need to login(top right hand side) with the following information:

A login screen for iPublishCentral Reader Version 4.8.2. The background is light blue with abstract circular patterns. At the top center, the text "iPublishCentral Reader Version 4.8.2" is displayed in blue, next to a blue circular logo. Below this, there are two radio buttons: "Normal User" (selected) and "Institutional User". Underneath are three input fields: "Site URL:" with a placeholder "<Site name>", "Username:" with a placeholder "<User name>", and "Password:" with a placeholder "*****". At the bottom, there are two buttons: "Sign In" and "Cancel". A small question mark icon is in the top right corner. At the very bottom, a note reads: "Please enter 'Site address/URL', 'Username' and 'Password' of the portal."

Log in as Normal user

1. Select Normal User.
2. Enter the URL in the Site URL (<http://www.successtore.com/>) field.
3. Use your registered log in credentials to log in to iPublishCentral Reader.
 - Enter your user name in the Username field
 - Enter your password in the Password field
 - Click the Sign In button
4. Click the Sign In button.

If the login credentials are incorrect, then an error message will be displayed "Failed to Authenticate. Invalid Site Information".

Bookshelf displays the subscribed eBooks with a Download button.
