How do I read Basic Health Publications eBooks on my Android Tablet.

Sandesh - 2014-03-28 - Comments (0) - Basic Health Publications, Inc

On your Android

TO ACCESS YOUR SUBSCRIBED eBooks FROM YOUR ANDROID TABLET®:

Download the **iPublishCentral Reader** from the Play Store.

Tap on **Get Books** and select **Basic Health Publishing** from the drop down.

Login to the app with your username and password.

Select the eBooks that you want to add to bookshelf, then tap on **Add**.

Tap on the eBook to read, after download is complete.
