How do I read my ebooks on an Android device ?

Roshan - 2014-04-21 - Comments (0) - American Heart Association

On your Android

Please follow the steps below to download your purchased eBooks to your Android Device :-

1. Download the AHA eBooks app from Google Play:
<https://play.google.com/store/apps/details?id=com.impelsys.aha.android.ebookstore>
2. Login using the registered credentials from the '**Account**' tab [through the menu option].
3. Tap on '**Bookshelf**' option.
4. Here, your purchased eBook(s) will be listed with a Download Option.
5. Tap on the eBook, it will start downloading to the '**Bookshelf**' .
6. After downloading, you can access eBook(s) from the '**Bookshelf**' .
