Access code redemption and purchases can only be done through the website(on your browser on a PC/Mac or an iPad) and not through the app

You only need to redeem the access code if you have purchased the eBook from an authorized AMIA eBooks distributor

Follow the instructions below to redeem the Access Code.

- Login to the American Medical Informatics Association eBookortal <https://ebooks.amia.org/>
- After successful login, please open the Bookshelf page <https://ebooks.amia.org/bookshelf>
- You will notice Redeem Access Code button here.
- Please click on it and enter your Access code in the given field and click on Redeem.
