2. In the **Safari** preferences window, click **Security**.
3. To enable cookies, next to "**Accept Cookies:**", select **Always**

Once you have enabled Cookies on your browser.

go to www.elsevier-etextbooks.com and Click on **Shibboleth Sign-on** [Refer Screenshot]
Do not use this link <http://www.elsevier-etextbooks.com/authenticate/login> directly

OR

To change your Cookie Acceptance Plan, follow these steps:

 [Enlarge](#)

Choose Safari→Preferences. **1**

The Preferences dialog box opens.

 [Enlarge](#)

Click the Security toolbar button **2**

Safari displays the preference settings.

Choose a radio button to show how Safari should deal with cookies

3

Your choices are (1) Never blocks cookies entirely, (2) Always accepts all cookies, and (3) Only from Sites You Navigate To, which allows sites to work correctly without allowing a barrage of illicit cookies.

(Optional) To view the cookies currently on your system, click the Show Cookies button.

4

If a site's cookies are blocked, you might have to take care of things manually, such as by providing a password on the site that used to be read automatically from the cookie.

Click the Close button to save your changes.

5

Your cookie settings are updated.
