Subscribed eBooks on HIMSS can be viewed online (through a browser) or also downloaded to your computer using our iPublishCentral reader for registered users.

*Note: For this you have to have flash in your system. You can download it for free at: <http://get.adobe.com/flashplayer/>*

**Please follow the below instructions to access your purchased eBook using online reader:**

- Open the browser on your PC/Mac
- Go to <http://ebooks.himss.org/>
- Using your registered user credentials log in to site.
- After successful login, you will be redirected to the '**Bookshelf**' page.

- Click '**Read Online**' Reader to read the eBook in online reader through browser.

**Please follow the below instructions to install the iPublishCentral reader application to your PC/Mac:**

- Once you login using your account you will notice a button "**Download iPublishCentral reader**".
- Click on the download button to go to installation page. Click on install button to setup iPublishCentral reader on your system.
- When you use iPublishCentral reader for the first time, you need to login (upper right hand side) with the following details:
  - Account URL - <http://ebooks.himss.org/>
  - Username - Enter your account name
  - Password - Enter your password
  - In the radio button - click on Normal User
- The iPublishCentral reader will verify your account details. If the account details are correct, the reader will continue to load.
- Once loaded, you can see all the books that you have subscribed online with a download link for offline reading.

**Please follow the below steps to access your purchased eBooks on your iPad:**
