

How to access my subscribed eBooks ?

Roshan - 2023-02-04 - Comments (0) - ACP Press

ACP Press eBooks can be accessed using Online Reader [through browser], offline [using our proprietary iPublishCentral Reader] on any PC/Mac and on iPad [using the ASHP iPad app] after the subscription.

You can download the purchased eBook(s) to the iPad app(on iPad) / iPublishCentral Reader(on PC/Mac) and access it without internet connections. However, you need to have internet connections to install and download the eBook to the iPad app / iPublishCentral Reader application. Once it is downloaded, you can access the eBook offline.

Please follow the below steps to access your subscribed ebooks on iPad:

Download the ACP Press iPad app first from iTunes: <http://itunes.apple.com/us/app/acp-press-ebook-reader/id549120402?mt=8>

After successful installation, please tap on "**My Account**" tab at the bottom [Ref: attachment]

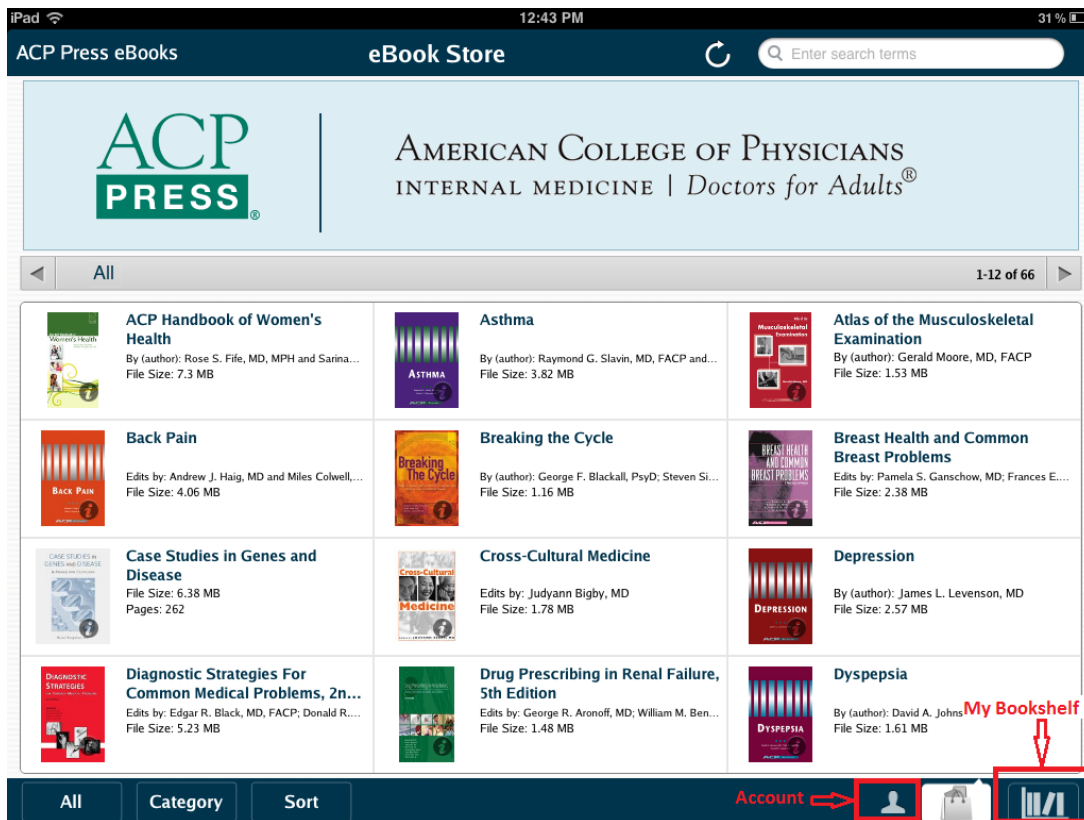

Enter your registered User name and Password and tap on "**SIGN IN**" to log in to the app.

Then, tap on the "**Close**" button to close the "**My Account**" window.

Tap on "**My Bookshelf**" tab at the bottom of the iPad app.

You will find your purchased eBook(s) to be greyed out. Please tap on the eBook, it will start downloading to the "**My Bookshelf**" on the app.

Once it is downloaded, tap on the eBook to read it.

Please follow the below steps to access your subscribed ebooks online on a computer:

Go to <http://www.acpress-ebooks.com/login>

Login with your registered credentials (Username & Password)

You will be redirected to your bookshelf page

You will see your subscribed eBooks with Online Reading Options.

Click on the Online Reader to read it online.

Please follow the below steps to access your subscribed ebooks offline on a computer:

Once you login to the eBook site using your account you will notice a button **“Download iPublishCentral Reader”**

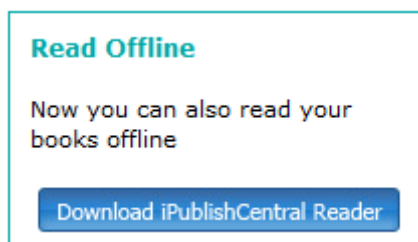

Figure: Download iPublishCentral Reader

Click on the download button to go to installation page. Click on install button to setup iPublishCentral reader on your system.

If you are having trouble downloading or installing iPublishCentral Reader(Previously iOffline Reader), Please clear your browser cache and cookies and try downloading again or try using a different browser(ex :[Mozilla Firefox](#)). (Google Chrome will cause difficulty during installation as it has compatibility issues). Also ensure you have updated version of **Adobe Air** on your computer. The iPublishCentral Reader bookshelf is displayed. If the user is logging in for the first time, then a message "**No books have been downloaded to the bookshelf**" is displayed.
