

How to access your subscribed eBooks on Android Tablet ?

Roshan - 2014-06-18 - Comments (0) - Industrial Press

Reading offline on your Android

- Download the iPublishCentral Reader from the Play Store.
- Tap on **Get Books** and select **Industrial Press** from the drop down.
- Login to the app with your username and password.
- Select the eBooks that you want to add to bookshelf, then tap on **Add**.
- Tap on the eBook to read, after download is complete.
