How to create an Adobe Id to log-in to Adobe Digital Editions(ADE)

Customer Support - 2014-11-20 - Comments (0) - McGrawHill eBookstore

Please be informed that **Adobe Connect** login is different from the **Adobe ID** used for the **Adobe Digital Editions** application. If you are using **Adobe Digital Editions** for the first time, then you have to create an ID to authorize your computer.

Please follow the below steps to create an Adobe ID and download your eBook using Adobe Digital Editions:

Launch **Adobe Digital Editions** from your Startup.

Click on '**Create an Adobe ID**'.

Refer Screenshot

You will be redirected to the Adobe Website.

Click on '**Get an Adobe ID**'.

Kindly fill in your details and click on '**Sign Up**'.

You will receive a confirmation email after successful registration.

Kindly click on the

URL <http://www.mh-ebooks.com/resource/ebookfulfillment/NzMzN180NTQ3> and download the eBook **.acsm** file.

Open the file and you should be able to access your eBook using **Adobe Digital Edition**.

Note: If issue still persists, kindly provide us a best time to call you and get this resolved at the earliest.
