Instructions to install the iPublishCentral Reader application on your computer/laptop and download your purchased eBook.

Roshan - 2023-02-04 - Comments (0) - CCH India

CCH India eBooks can be downloaded to iPublishCentral Reader application and accessed offline(without any internet connections). However, it is required to have the internet connections to install the **iPublishCentral** Reader application and download the eBook. Once the eBook is downloaded to the **iPublishCentral** reader application, you will be able to access it without any internet connections.

NOTE: Currently, Google Chrome has issues detecting the Adobe Air files which is installed on the computer. So, please use the Internet Explorer or Firefox browser to Install the iPublishCentral application.

- Once you login to the eBook site using your account you will notice a button “**Download iPublishCentral Reader**”

Figure: Download iPublishCentral Reader

- Click on the download button to go to installation page. Click on install button to set up **iPublishCentral** reader on your system.
- Copyright and version information screen is displayed.
- The iPublishCentral Reader bookshelf is displayed. If the user is logging in for the first time, then a message "No books have been downloaded to the bookshelf" is displayed.

- Click the **Login** button on the upper right corner of the screen.

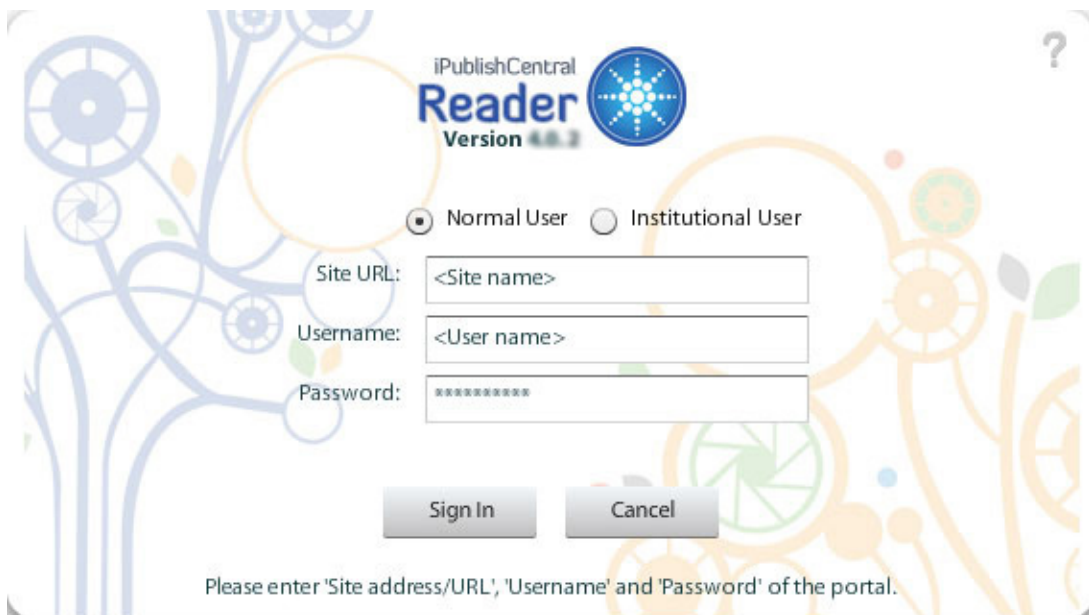

Figure: Login Screen for an Normal user

Log in as Normal user

1. Select **Normal** User.
2. Enter the URL **www.ebooks-cchindia.com** in the **Site URL** field..
 - a. Enter the username in the **Username** field
 - b. Enter the password in the **Password** field

- c. Click the **Sign In** button
3. After successful login to the iPublishCentral Reader app, Bookshelf page will appear.
4. Bookshelf displays the subscribed eBooks.

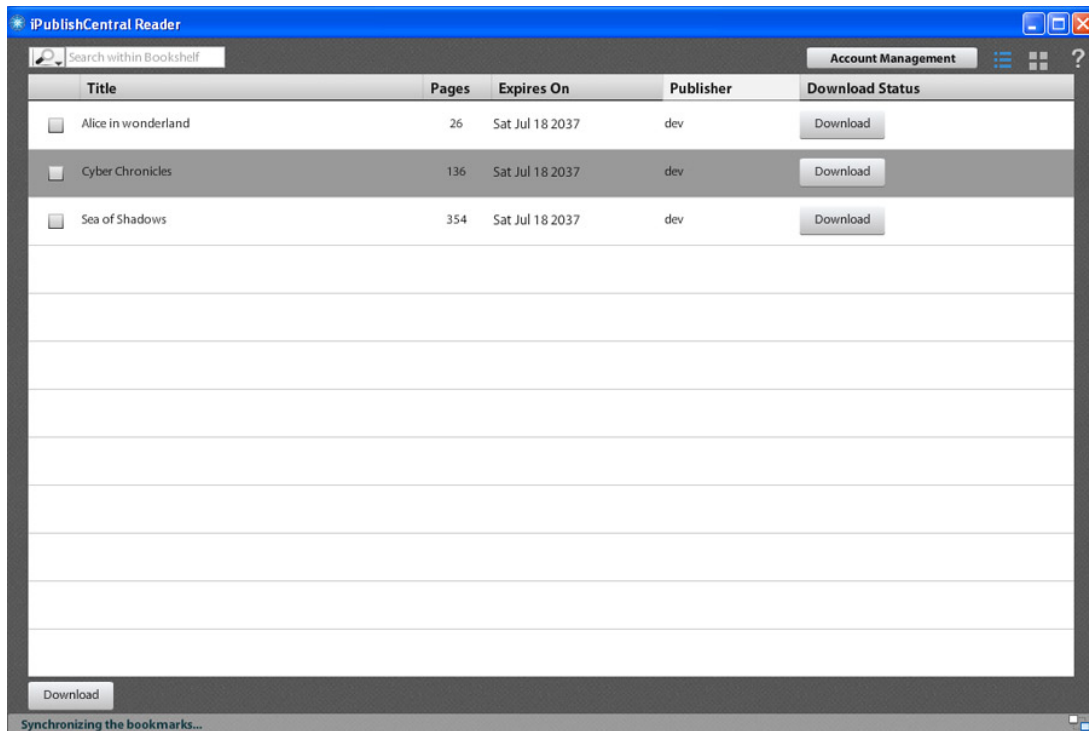

Figure: User's Bookshelf

This will be your home page in the reader. It displays a list of subscribed and purchased eBooks as well as information about an eBook beside the eBook title column. It displays information like total number of pages, expiry date, name of the publisher and download status of an eBook. In addition, you can use the scroll bar in the bookshelf to scroll through the eBooks.

Bookshelf can be viewed in thumbnail  and list mode .
