Question:

I just downloaded ioffline 3.3.0 It asks for a URL. What do I put in that box?

Answer:

When you use iOffline reader for the first time, you need to provide:

Account URL - ebooksite URL

Username - Enter your account name

Password - Enter your password

In the radio button - click on Normal User

The iOffline reader will verify your account details. If the account details are correct, the reader will continue to load. Once loaded, you can see all the books that you have subscribed online with a download link for offline reading.
