iPublishCentral reader is a computer application for Windows PCs that allows you to read your books offline. It functions similarly to the web based online reader. Please note that the iPublishCentral reader does not work on tablets unless it is running Windows.

Please follow the below instructions to install the iPublishCentral Reader application to your PC/Mac and download the eBook to the iPublishCentral Reader.

Once you login using your account you will notice a button "Download iPublishCentral reader".

Click on the download button to go to installation page. Click on install button to set up iPublishCentral reader on your system.

When you use iPublishCentral reader for the first time, you need to login (top right hand side) with the following information:

Account URL - <http://www.cfa-digital.com/>

Username - Enter your account name

Password - Enter your password

The image shows the login interface for the iPublishCentral Reader, Version 5.0.0. The interface features a decorative background with stylized floral and geometric patterns in blue, orange, and green. At the top center, the text "iPublishCentral Reader Version 5.0.0" is displayed next to a blue circular logo with a starburst pattern. A question mark icon is located in the top right corner. Below the header, there are two radio buttons for user selection: "Normal User" (which is selected, indicated by a red arrow) and "Institutional User". Underneath, there are three input fields: "Site URL:" containing "www.cfa-digital.com", "Username:", and "Password:". At the bottom, there are two buttons: "Sign In" and "Cancel". A footer message reads: "Please enter 'Site address/URL', 'Username' and 'Password' of the portal."

The iPublishCentral reader will verify your account details. If the account details are correct, the reader will continue to load.

Once loaded, you can see all the books that you have subscribed online with a download link for offline reading.
