First and foremost make sure to **activate your eBooks**.

Log in to www.aao.org/myonlineproducts with your Academy username and password.

Click on the eBook title in the menu.

To avoid logging out and re-logging in every time you make a new purchase, please go to the Shopping Bag Tab on your iPad app and Tap on the Sync button and ensure that there is no loss of internet connectivity when the sync takes place.

This will ensure that your account gets uniformly synced and your purchases will be visible on the Bookshelf Tab ready to download.

If you are still facing issues, please log out of the app and login back.
