Thieme Bookshelf is the companion app to Thieme's E-Book Store, where you can purchase from among hundreds of books specializing in the latest medical content. Browse the contents of the store or your personal library with an easy-to-use bookshelf; tap a book to open it; flip through pages with a swipe or a tap; and bookmark or add notes to your favorite passages.

1

Go to App Store on your iPad and Search for " Thieme Bookshelf " and download and Install the app.

2

Open the app and Login with your Username & Password and close the dialog box.
