Access Offline on iPad

Ranjeet - 2014-06-04 - 0 Comments - in Amazing People Library

Visit the Amazing Public Library eBookStore using any of your web browsers(Safari, Chrome, Virtum, etc)

Enter the user credentials in the User Login Box on the left hand corner of the page(Shown below):

The Welcome Screen on the top right hand corner will acknowledge that you have been successfully logged into your account.

Once on your bookshelf, tap on the "**Download**" link to access these eBooks offline:

Tap on the iPublishCentral Reader link to download the reader to access the eBooks for offline access. However, if You have already downloaded the iPC Reader, you can tap on the download button to download the eBook offline.

Click on the "Open in" function and choose iPublishCentral Reader for first time users. Users who already have iPublishCentral Reader can tap on the "Open in Reader" to download the eBook onto your iPad

Once the eBook is downloaded, you will not only be able to access the eBooks offline, but also add notes, highlights or bookmark and the same will be synced to your account once your iPad goes online.
