## Add Note & Copy Text Functionalities on the Online Reader

Roshan - 2021-10-27 - [0 Comments](#) - in [Online Reader 3.3](#)

Please follow the below instructions to Copy the text in the eBook and let us know if you still face any issues.

- Please Login to the eBook site and open the eBook in Online Reader.
- Click on "**Text Selection**" icon
- Then, you will be able to select the text from the eBook. Please select the text which you want to copy.
- Next, right click on the selected text.
- Now, you will get option to "**Copy Text**". Please click on it to copy the text on eBook and paste it on notepad, wordpad etc.,

Please follow the below instructions to add note on eBook.

- Click on "**Manage Notes**" button on the Online Reader .
- Select "**Add Notes**" option from the drop down list .
- Paste the Note on the eBook page where you wish to add the note .
- Then, "**Add Note**" pop-up window will appear. Please type the title and the description of the Note .
- Click on "**Save**" button to save the Note .
- After adding the multiple notes successfully, please click on "**Notes**" button listed on left side of the eBook page. This will give you the page number and the title information of the Notes added on eBook.
