AHA Contact Information

Roshan - 2017-10-06 - [0 Comments](#) - in [American Heart Association](#)

Contact Us

AHA eBooks Technical Support:

For questions and technical support regarding AHA eBooks contact:

Email: AHA.support@ipublishcentral.com

Chat: Live Chat Support is available

8:00 AM CDT to 6:00 PM CDT on Weekdays

9:00 AM EDT to 5:00 PM EDT on Weekdays

Look for the "Chat with Us" tab on the bottom right corner for live agent availability. Live Chat works better if you are on a computer, Chat can get disconnected if you are on a device due to connectivity.

*If you are unable to reach a technical support representative, please write an email to the above email address with your registered username, email address, along with a brief message regarding your concern any other details/screenshots that you can provide.

Telephone: Call 1-917-310-2074 (Only Weekdays) (8 to 5 CDT)

If you are unable to reach a technical support representative, please leave a voicemail with your name, username/registered email address, name of ebook along with a brief message regarding your concern and we will contact you as soon as possible.

AHA CPR, First Aid and Emergency Cardiovascular Care Courses

Looking for an American Heart Association CPR, first aid or advanced cardiovascular care training course? Check out our online [Find A Course tool](#) to locate a class or an online course.

For questions about international training or materials, email us at eccinternational@heart.org or call 214-706-1232

For questions about the American Heart Association Training Network or becoming an Instructor, email us at ahainstructornetwork@heart.org
