AHA eBooks on iPad

Roshan - 2021-10-26 - [3 Comments](#) - in [American Heart Association](#)

Please follow the steps below to download your purchased eBooks to your Apple Device:

1. Open the App Store application on your device and search for "AHA eBook" in the search bar. ([Link](#))
2. Next to the AHA eBook Reader app, select Install to download the app to your device.
3. Open the app and login to your account with the same Username & Password you created to purchase your eBooks on the AHA eBook website.
4. Your purchased eBooks will be available under the Shelf tab.
5. Tap on the eBook you wish to read to download the book to your device for offline viewing.
6. Tap on the eBook after it has completed downloading to view the eBook.
