You do not need to have an account on [mh-ebooks.com](#) in order to download the eBook onto your computer.

Click on the download link sent to your registered email or copy/paste the same onto your browser. Once the page opens, you will find 2 blue buttons as shown in the screenshot below:

- Before you click on the Download button, download and install Adobe Digital Editions on your computer.
- Once ADE is installed, come back to the link and click on the Download button.
- MH Professional ebook is distributed by using a .ASCM (PDF) file.
- once this file is downloaded, Click on it and Open with ADE.
- When you are using ADE for the first time, you will be asked to login,
- You can create and login with an Adobe ID

Creating an Adobe ID enables you to view e-books protected by Adobe's digital rights management. We recommend registering with the same username and password you use to register with the McGraw Hill eBooks Website.

Please follow the instructions mentioned below to create Adobe ID.

1. Go to [www.adobe.com](#) and click Sign in, which appears near the top right of the home page.
2. Click Create an Adobe Account.
3. Fill in the necessary fields and click Continue at the bottom of the page. Click Continue again.

You have now created your Adobe ID account.

Once you have logged in to ADE, your eBook will automatically get added to your library on the reader.
