# DRM protected ePub files

Roshan - 2021-10-26 - 0 Comments - in Adobe Digital Editions
eBook titles that are DRM protected ePub files can only be opened using **Adobe Digital Editions (ADE)** on your PC/Mac.

Please follow the steps to download Adobe Digital Edition:

- Goto http://www.adobe.com/products/digitaleditions/
- Click the install badge to download and install the latest version of Digital Editions.

**Once Digital Editions is Installed:**

1. Log into the eBook site using your login credentials.
2. Go to '**bookshelf**' to download the **eBook** and click the 'Download DRM' link. It will open one pop-up or download a file (**URLLink.ascm**) depending on the browser.

3. Choose Open with '**Adobe Digital Editions**' and click OK. Then the eBook will start to download in Adobe Digital Editions.
4. Once downloaded, you can access the eBook on your ADE Reader.
