## **Error getting License,License Server Communication Problem: W\_ADEPT\_CORE\_WRONG\_DEVICE**

Roshan - 2021-10-27 - [1 Comment](#) - in [Adobe Digital Editions](#)

Please try de-activating Adobe Digital Editions(ADE) on your computer:

Open Adobe Digital Editions reader on your computer  
Press <**Control**> + <**Shift**> + **D**  
Close/quit the reader(ADE).  
Open the reader(ADE) again  
and re-activate it from Help->Authorize Computer.

If you are still facing issues try un-installing and reinstalling ADE
