How to access the subscribed eBooks on an Android Tablet

CS Kevin - 2014-06-03 - [0 Comments](#) - in [Cadcim -Ind](#)

Follow the instructions below to access Cadcim eBooks on an Android Tablet:

1. Download and install the iPublishCentral Reader android app from the Google Play Store.
2. The link is: <https://play.google.com/store/apps/details?id=com.impelsys.ioffline>
3. Once the app is downloaded and installed, open the app.
4. Tap on the Get Books to view the list of Publishers.
5. Select Cadcim - US.
6. Enter your username and password, then tap on Sign In.
