

How to take the Focal Point quiz ?

Roshan - 2020-01-29 - 0 Comments - in AAO

The new format of Focal Points does not offer a direct link to each posttest. We are working to correct this.

In the meantime, you can take posttests to claim CME credit for any Academy activity by visiting CME Central:

1. Visit <https://secure.aao.org/apps/tabid/407/Default.aspx>
2. Click "**Report AAO Credits**"
3. Follow the onscreen prompts to select a specific Focal Points module and take the posttest
