### Question:

How do I download my eBook for offline viewing or for download on my iPad? I can only seem to read the eBook while logged into your ebooks.buildersbook website.

### Answer:

Support for iPad to access NAHB eBooks is available. Please follow the below instructions to access your purchased eBook(s) on iPad.

- Open the link below from the Safari browser in iPad and download the app from <http://itunes.apple.com/gb/app/builderbooks/id548607886?mt=8>
- Please login using your registered credentials for "**Account**" tab [Refer attachment].
- Then, tap on the "**Close**" button to close the "**Account**" window.
- Next, please tap on "**My Bookshelf**" tab at the bottom of the iPad app [Ref: attachment].
- Your purchased eBook(s) will appear to be greyed out. Please tap on the eBook, it will start downloading to the "**My Bookshelf**" in the app.
- Once it is downloaded, tap on the eBook to read it offline.
