To access eBooks offline, iOffline reader is required.

Roshan - 2019-04-21 - 0 Comments - in iOffline

**Steps to download the iOffline reader:**

- **Once you login using your account information, you will notice a button “Download iOffline”.**
- **Click on the download button to go to the installation page.**
- **Click on the install button to setup the iOffline reader on your system.**

**When you use the iOffline reader for the first time, you need to provide:**

The screenshot shows a registration form with the following elements:

- Two radio buttons: "Normal User" (selected) and "Institutional User".
- A text input field labeled "Site URL:".
- A text input field labeled "Username:".
- A text input field labeled "Password:".

- **Account URL - <SITE URL>**
- **Username - Enter your account name**
- **Password - Enter your password**
- **In the radio button - click on Normal User**

**The iOffline reader will verify your account details. If the account details are correct, the reader will continue to load.**

**Once loaded, you can see all the books that you have subscribed with a download link for offline reading.**
