Where do I find the code for the Precourse Self-Assessment Test?

Roshan - 2020-04-04 - 1 Comment - in American Heart Association

Please enter the code found at the bottom of page ii in the front of your course manual to access the student supplementary materials for your course.

The code and website can be found on the title page of the ebook. You will need to scroll to the bottom of the page, Refer to the screenshot from the ACLS eBook below:

To access the student website for the ACLS , go to www.heart.org/eccstudent

Enter the code "algorithm" in the box and submit

WELCOME

to the American Heart Association.

Welcome to the American Heart Association Student Website!

Please enter the code found at the bottom of page ii in the front of your course manual to access the student supplementary materials for your course. These materials are provided to give you additional information you may find helpful for the course. ACLS and PALS also include a Precourse Self-Assessment that may be required depending on your Training Center. The AHA strongly encourages taking the Precourse Self-Assessment so you can gain an understanding of your current knowledge base and any gaps you may need to fill to successfully complete your course.

Thank you for choosing the American Heart Association for your healthcare training.

Enter the code "algorithm"
